

EVO™ 5507

Straight-Reach LCD Arm

Model 5507 from the EVO™ Series is an attractive arm suited for both desktop and wall or function wall mounting. The arm allows effortless height adjustment and repositioning of the monitor. EVO™ creates a multi-functional workspace where the monitor can be moved out of the way when not in use.

FEATURES

- ▲ Intuitive movement — no buttons or levers, simply move monitor to desired position
- ▲ Quick-install/quick-release mechanism instantly and securely snaps monitors into position
- ▲ Mount clamps to desk or through grommet with integrated handle (*other options available separately*)
- ▲ Cable management reduces workspace clutter

Vertical range of +/- 12cm from horizontal

Extends 46cm and folds flat to save maximum space

Quick-install/quick-release

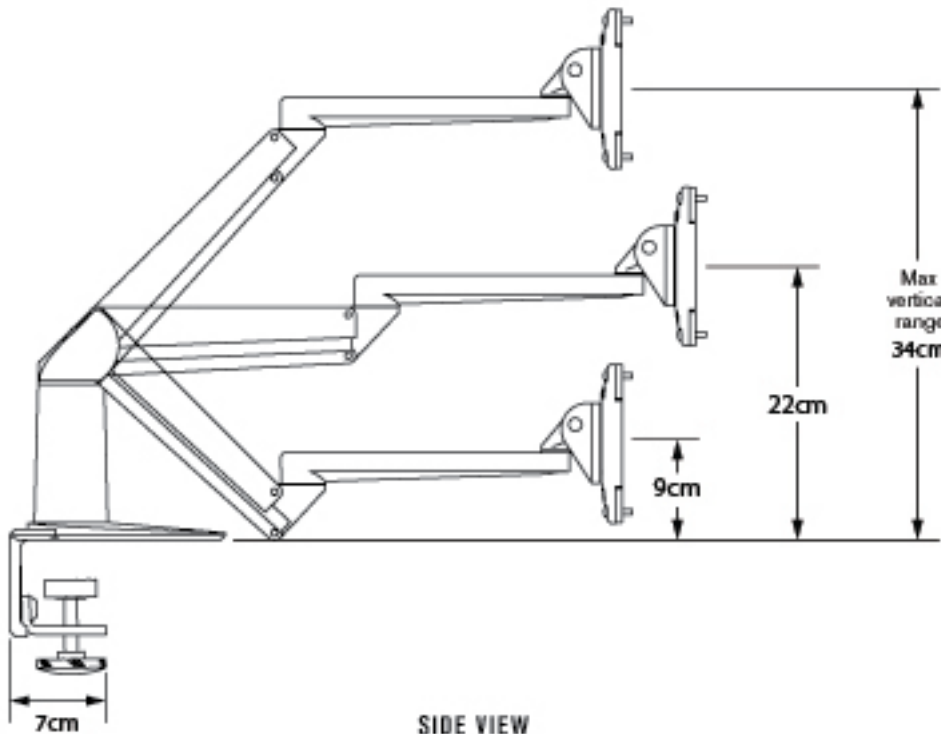

Integrated cable management
